“Use of Social Media

- The PCC must approve the use of social media and mobile phones by the church. Where there are Facebook or similar online groups set up on the church’s behalf, the PCC must ensure there is a named person to whom all workers are accountable.
- The named person must be a church officer, and should be aware of the account name and password so that they can at any time log on to the account to monitor the communication. The named person should be proactive in fulfilling this role.
- Communications on social media must be shared with the named person. Church officers remain bound by professional rules of confidentiality. Where there is concern that a young person or adult is at risk of abuse, or they themselves pose a risk of abuse to others, safeguarding procedures must always be followed.
- All church officers should be made aware of the ‘Guidance for church officers’ outlined in Section 12 of the Parish Safeguarding Handbook.
- The named person for St Nicholas, Warwick is Eira Hale. “

The above wording has been taken from the Section 12 of the Parish Safeguarding Handbook. Claire has agreed to be the ‘named person’.
